

From our Principal Mr Adam Slater

Dear Families

As we approach the end of the Lenten season and celebrate the pinnacle of the Church's year, Easter, this week our classes have led presentations to bring to life the significant events of Holy Week. I would like to thank the Ebel family for assisting us in our Holy Week presentations by constructing and providing signs to assist the class performances.

### Saint Peter's Fair

On Saturday March 25th, our school had a stall at the Saint Peter's Fair at Linde Reserve. Our staff and students handed out over 50 enrolment packs to families on the day. I would like to thank Pina, Robert and Charlotte Bria for their work in organising the stall and Charlotte Hutchesson and Stephanie Semczuk for the wonderful cookies they baked to share.

### Preschool

The educators in Preschool have been leading learning with the children in the areas of health and nutrition. Earlier this week, the Preschool held a special breakfast for the students and families to celebrate their learning on the topic of healthy eating.

### Ready for Reception

At St Joseph's Memorial School, we offer a Ready for Reception Program for Preschool aged children who are enrolled in Reception prior to starting school.

Ready for Reception nurtures the needs of the whole child. In this program, a qualified and highly experienced Early Years Educator, provides a range of fun learning and play experiences using the Early Years Learning Framework. To ensure a successful start to school, this play based curriculum will be supported by following school routines.

This new model allows St Joseph's Memorial to provide families a high-quality transition program ensuring each child has a successful start to school, nurturing their growth and development.

Please click on the link below to see our new brochure on the Ready for Reception program:

### New School lunches initiative commencing Term 2!

I am very excited to announce that we are introducing school lunches on Mondays and Fridays, beginning from Term 2 onwards. We have partnered up with local business Louie's Deli on Sydenham Road in Norwood to commence a lunch order program at St Joseph's Memorial. Our operational team consists of parents, members of the school board, school leaders and the administration team, who have worked collaboratively for this initiative to begin at the beginning of next term.

Menu items for parents to purchase lunches on Mondays and Fridays for their child(ren) will be placed on the QKR app, with payment and dietary requirements options available. The lunch orders will be delivered to both our Kensington and Norwood sites and passed onto the students. The planned menu items that will be placed on QKR application for families to order are:

### Clarity Project in Practice

The school leaders and teachers have been continuing our work in the whole school Clarity Project. The Clarity practices aim to increase student achievement and growth in an ongoing and sustainable way. Below are some great examples of our

Reception teachers using *learning intentions*, *success criteria* and *bump it up walls* to help their students have a clear understanding of what they are learning and how they can be successful.

## RECEPTION / YEAR ONE

RECEPTION: Learning intentions and success criteria are constructed to support the students' foundational Numeracy learning in the topic of Number.

RECEPTION: Bump It Up wall for students to identify the levels of progression in writing.

As the term draws to a close, I wish you all a wonderful and safe Easter and term break.

God bless you all,

Mr Slater

## From our APRIM Mrs Vassallo-Wakefield

Dear Parents and Caregivers

This week we celebrate Holy Week, a significant time in Jesus' life. We reflect on special moments and the events of this week and ask ourselves who was Jesus?

Jesus was a Jew. He was baptised by John the Baptist and began his ministry in Galilee. He had a well-developed reputation as a healer and gathered a group of disciples around him without regard to gender, status or background and celebrated their unity through the sharing of meals. Opposition to him reached a climax during a Passover celebration in Jerusalem where he was arrested, tried and crucified.

Jesus' message was centred on the Kingdom of God. His message was communicated through parables, proverbial sayings, the Lord's Prayer, table fellowship and miracles. The Kingdom of God was open to all people including, the destitute, the sick, the crippled, the tax collectors and sinners.

As we come to the end of Lent, it is good to renew our efforts to pray well. When the followers of Jesus asked him to teach them to pray he gave them the 'Our Father'. That prayer shows us how to speak to God as a loving parent and carer.

Lent ends on Holy Thursday and we move into the holiest days of the year. We call these days the Paschal Triduum. These three days, from sunset on Holy Thursday to sunset on Easter Sunday are the Christian Passover Feast.

As we prepare for Easter we reflect on the teachings of Jesus. Jesus' love for human kind was such that he was prepared to give His life for us.

### Project Compassion

Thank you to the families who have returned their Project compassion boxes to me. Please remember to return these boxes by

Thursday 13 April so that all monies can be counted and sent on to Caritas for the work they do to support marginalised communities.

As this is the last newsletter before the end of the term, I wish all families and Happy and Holy Easter and school holidays after next week.

## From our 2023 Student Leaders

So far, the term has gone really quick, but we have lots of fun things to share with you about our time at school.

To introduce ourselves, we are Year 6 students Alex and Evie, the 2023 school leaders. We will be writing in the newsletter to provide a student perspective on the amazing learning and events happening in our school.

### Physical Education

At the start of term 1 Mr Dacombe-Bird taught us some basketball skills that involved dribbling, shooting and passing. We had to use these skills and play a little number basketball game. Towards the end of term 1, we started to learn about Lacross to train for the Lacross carnival. We learnt skills that involved scooping, shooting, passing and catching.

### English

At the start of English our class had to write a story about a magical little house. We had to plan our story first, then make a sizzling start

to get the attention of the reader. Then we had to continue the story and add a problem. The story could end happy or sad. Later on in the term we started to learn about script writing we had to write a script about Mary Mackillop's life. The 5 basic elements we had to use were slugline, action, character name, parentheticals and dialogue.

### **Mathematics**

In Mathematics we have been learning the long forms of addition, subtraction, multiplication and division. We have been using the skills we have developed in these areas to complete worded problems and tests.

### **Japanese**

In Japanese we had to do assignment called "Jickoshokai." We had to create a self-introduction of a character of our choice and then present this in the Japanese language to the class.

### **Design and Technology**

We designed and created a dream playground space that had to include two simple machines and one complex machine. The students then built their design using a range of different materials to complete their playground model.

### **Carnivals and Events**

The students have had the chance to participate in a Catholic School swimming carnival this term. The tryouts were held at the Norwood Swimming Pool afterschool on Wednesdays, and a team of six from each year level, starting from Year 3 were selected. Everyone tried their best, were brave enough to represent our school and performed really well.

From our Physical Education Coordinator Mr Dacombe-Bird

To the SJMS community,

As a busy, yet very productive term 1 draws to a close, I find that this is a perfect time to reflect on the term that was and look forward to term 2 and all the big events we have planned!

First of all, congratulations to all the after hours sports teams that competed throughout the term. The Netballers, Cricketers and Basketballers have all displayed exceptional skill and determination whilst also represented St Joseph's Memorial with a high level of sportsmanship and in all things love. Thank you to all volunteer coaches and parent helpers. These sports cannot go forth without your help and support so it is greatly appreciated by our entire school community! If anyone has any photos of teams in play or squad photos could you please send them through.

I can't believe it's almost term 2 already, and we've got a jam packed term full of different sports starting, carnivals and most importantly,

our 2023 SJMS Sports Day! Sports day will be on Wednesday the 5th of July (Week 10) on the St Ignatius Oval. If you are happy to volunteer on the day please let me know with an email so I can work out numbers and volunteer roles.

Our out of school sports program will have 2 soccer teams (year 2/3 and 4/5 mixed teams) and currently 4 netball teams registered (year 2/3, 4, 5 and 6). Currently, we need a coach for the year 2/3 netball team and without a coach, we won't be able to have a team. If you are able to coach that year level please reach out!

At this current moment, we need more student numbers to nominate AFL football teams into the SANFL School Footy competition. These teams are year 2, 3/4 and 5/6. I have contacted SANFL and we are now able to enter year 1 students into the year 2 competition. If your child is interested in playing and in year 1 please contact me for further information on the competition. We are currently in the process of reaching out to other schools to increase squad sizes, however if your child would like to play footy for the school please let me know so I can place them in the team.

Thanks all for a great term, I look forward to more of the same in term 2!

Mr Dacombe-Bird.

From our Librarian Mrs Julie Moore

**This year the students have enjoyed coming to the library to read and borrow a great range of interesting books.**

It is always wonderful to see students come into the library so eager to read the exciting new books we have. I have enjoyed seeing the lovely smiles on the students' faces and sharing their favourite books with great joy.

The classes have commenced the Premier's Reading Challenge for the year. Some students have already completed the Premier's Reading Challenge and have begun the SJMS Challenge to read unto 50 books by the end of the year.

We are currently in the process of organising a Scholastic Book Fair in Term 2 which will occur in week 6 and will be held Tuesday to Thursday in the Performing Arts Space at William St. Both campuses will have an opportunity to purchase books at the Fair.

In Term 3 one of the biggest highlights of the school year is the whole school 'Book Week Parade' and we have also started organisation for this amazing event.
