

From Adam Slater, Principal

It is hard to believe that we're at the start of November and in the final term of the 2024 school year. It has certainly been a busy year full of learning, fun and great experiences and term 4 has been no exception. There are many exciting events looming to round out the school year, such as the school 'Nativity' musical, Year 6 graduation mass and dinner celebrations, carols night, Children's University

graduation, the G.A.T.Eways program hosted at our school, Norwood Christmas Pageant, swimming week, the Year 2-6 music and sports assembly, and preschool graduation, to name a few.

### **STUDENT LEADERSHIP FORUM WITH PREMIER PETER MALANAUSKAS**

Last week, a group of our students attended a student leadership forum with Premier Peter Malinauskas hosted at Mercedes College. The students had an opportunity to ask the Premier questions about topics of leadership, improvement and innovation.

### **CATHOLIC SCHOOLS ATHLETICS CARNIVAL**

This week over 30 students represented our school in the South Australian Catholic Primary Schools Sports Association Athletics Carnival held at Santos Stadium. Our school came in 2nd overall; our Year 5 boys were section champions and Lucius won age champion. Thank you to Mr Dacombe-Bird for organising this successful event, and well done everyone for representing the school so positively.

### **THANK YOU TO OUR PARENTS AND FRIENDS COMMITTEE VOLUNTEERS**

As you will read below in the Parents and Friends newsletter, the team held a Bunnings sausage sizzle last Sunday. On behalf of our school community, I wanted to share my gratitude to Vikki and Isabella and the team of volunteers for their work to organise, cook and serve on the day to help our community.

### **TRAFFIC REMINDERS**

Recently, our school community has observed an increase in cars that are undertaking U-turns on William Street near and through the road crossing. As safety is paramount in our school community, it is a timely reminder to families to read the Keeping Kids Safe on Roads Near Schools document constructed by the City of Norwood, Payneham and St. Peters:

[https://www.npsp.sa.gov.au/directory\\_documents/215\\_keep\\_kids\\_safe\\_brochure](https://www.npsp.sa.gov.au/directory_documents/215_keep_kids_safe_brochure)

### **YEAR 5 & 6 SOCIAL JUSTICE ACTIVITIES**

Last Friday, as part of their fundraising efforts for Catholic Mission for Socktober, the Year 5 students created a range of activities for younger students to partake in and enjoy with their homemade soccer balls. The class has currently raised over \$727 for their charitable cause, which is an outstanding effort.

**YEAR 5 & 6 AFL MAX LEADERSHIP EXCURSION**

Last Friday, our Year 5 & 6 students travelled to AFL Max to undertake a leadership excursion day by participating in a range of group and teamwork activities. The students enjoyed learning outside of the classroom and undertaking group dynamics opportunities.

#### **YEAR 3 & 4 MARY MACKILLOP COLLEGE NETBALL DAY**

Last week our Year 3 & 4 girls were invited to Mary MacKillop College Kensington for a 'Netball Fun Day.' The students loved the opportunity to participate in a range of wonderful activities that focused on agility, movement skills and fitness.

#### **RECEPTION & YEAR 1 BRIDGE STREET CRICKET PROGRAM**

Ten of our Reception and Year 1 students have been undertaking a Friday afterschool Simply Sports "New Ball" cricket program. From reports, the students have enjoyed undertaking the activities within the program to develop their throwing, catching, fielding and batting skills.

LIVE, LEARN, LEAD PARENT / CAREGIVER SURVEY DATA

I wanted to share the parent and caregiver survey data collected in Term 3 for comparison over the past few years.

I can report we have increased the number of parents that complete the survey from **10 (2022)** to **31 (2024)**, which provides a broader perspective on the data.

Overall, the data shows great improvement, resulting from the collective work and positive impact from everyone who works in our school, from teachers, leaders, ESOs, library, preschool educators, admin, and finance staff, to also recognise the work of our social work students.

In the past few years, Catholic Education (Identity) has bumped up positively from **4.84/6** to **5.18/6**. This shows the positive perspective of the Catholic Education our school provides.

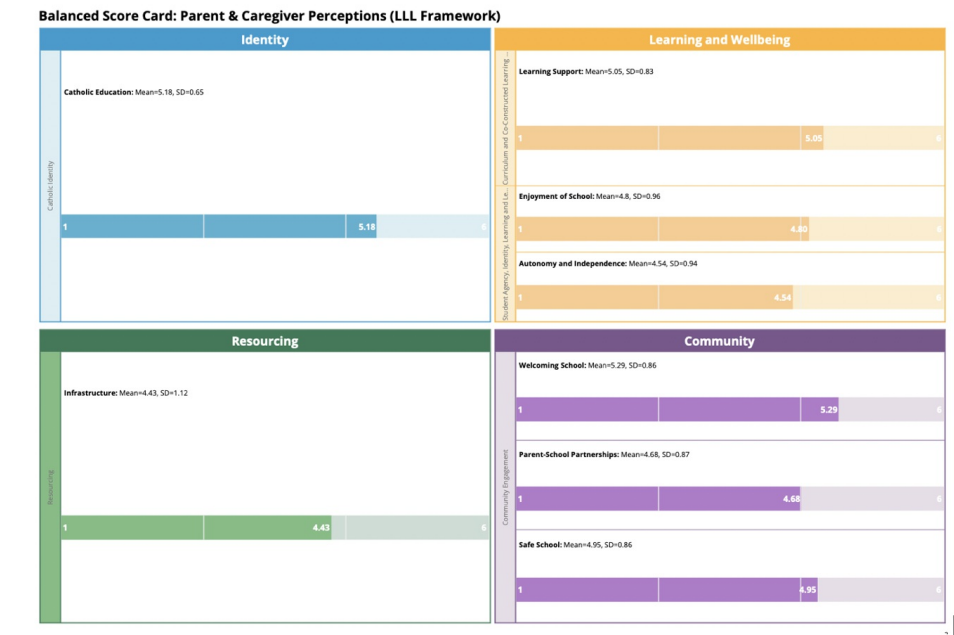

Learning and wellbeing in terms of perception of learning support from **4.26/6** to **5.05/6**, enjoyment of school from **4.43/6** to **4.80/6**, autonomy and independence from **4.25/6** to **4.54/6**.

Resourcing regarding infrastructure has remained constant from **4.00/6** to **4.43/6**.

Community has risen in the areas of welcoming school from **5.00/6** to **5.29/6**, parent-school partnerships from **3.40/6** to **4.68/6** and safe school from **4.28/6** to **4.95/6**.

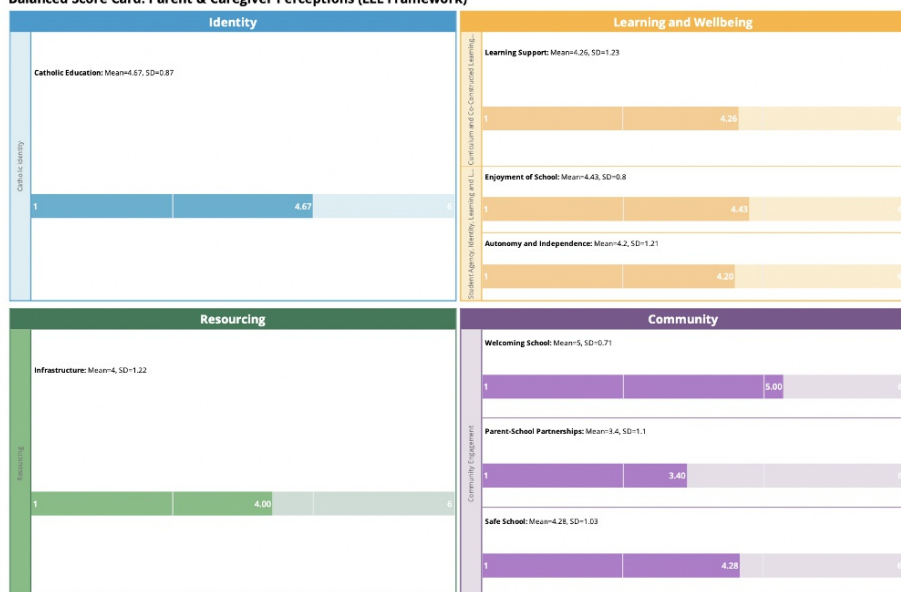

This is data to be celebrated as a whole community with great pride:

### FOCUS ON eSAFETY

As a school community, we have been deepening our focus on student electronic awareness and safety for optimal child protection. We are currently planning for increased opportunities for our students to undertake important learning in electronic and online safety and aim to have parent sessions next year to support families in this area.

The resource below provides detailed information to parents regarding various applications and games to increase awareness and safety for all online:

<https://www.esafety.gov.au/key-topics/esafety-guide>

In addition, the advice sheets for parents, created by the eSafety commissioner are also great resources to help keep families safe online and on electronic devices regarding social media and gaming:

# Helping your family stay safe online

## Children can learn, explore, play and make friends online. But there can be risks.

Your child might accidentally see upsetting content, be contacted by strangers or experience bullying. They might also miss out on important things like spending time outside.

Here are some easy things you can do to help keep children safe online.

## Talk about online safety as a family

Let your child know they can always come to you if something happens online that makes them feel scared or upset.

You can ask your child to show you the games and apps they use. Use eSafety's [conversation starters](#) to help you get started.

## Set up family rules together

As a family, you can choose some easy rules to help keep everyone safe online. You can include things like where devices can be used, what games and apps your children can use, and how much time can be spent online. Most devices and apps have features to set limits on how they are used. Watch [this video](#) to learn more about parental controls and settings.

## Know where to get help

If you need help with an online issue and you are not sure what to do, talk about it with someone you trust, like a friend or a teacher at your child's school. You can also speak to someone at [Parentline](#) for help with parenting challenges. The eSafety Commissioner (eSafety) helps to keep all Australian families safe online. The [eSafety website](#) has more information about [reporting online abuse](#) and staying safe online.

For more information about how to keep your family safe online, search for [eSafety Parents](#) on our website.

# Getting started with social media

**Social media platforms (like Facebook, Tik Tok and Instagram) are great for connecting with family and friends through messages, images and even videos.**

But there are also risks, like seeing harmful content, being treated badly, or being sent inappropriate messages.

## Three questions to ask

Most platforms need you to be at least 13 years old to join. But a child also needs to be able to manage the risks. Three questions to ask your child are:

- What would you do if you saw something harmful online?
- How can you tell if an online message or person is safe?
- Who would you go to if something bad happened to you online?

- use app features to set limits on how much time they spend on social media
- learn more about being safe online using eSafety's information for **young people**.

## Dealing with issues on social media

It is never okay for someone to be pressured, bullied or harassed online. Use The eSafety Guide to find out how to report any problems to the social media platform. If the platform doesn't help, **contact eSafety** to help find the right support.

## Help your child

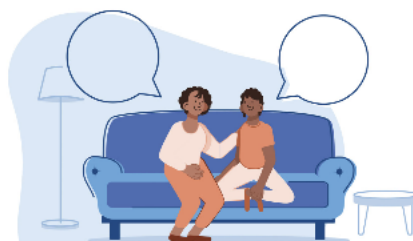

The **eSafety Guide** on the eSafety website can help you make your child's account safe.

It is also a good idea to supervise your child when they use social media because children are more likely to ask for help when adults are interested and nearby.

## Using social media safely

Talk to your child about how they want to use their account. Encourage them to:

- be kind to themselves and respectful of others
- avoid sharing details that could make it easy for someone to find them (like their school uniform or home address)

For more information about how to keep your family safe online, search for **eSafety Parents** on our website.

# Safer online gaming

**Online games can be lots of fun for your child while helping them learn and make friends.**

But there can be risks, like seeing violent content, being bullied, or being contacted by strangers.

Thankfully, there are things you can do to help your child stay safe when they are playing games online.

## Help your child

Use the settings on your child's device and on the game to block unsuitable content and stop them buying things in the game.

They should also make up a screen name to keep their real name private and use a password that is hard to guess.

## Positive gaming experiences

Learn about the games your child likes by playing with them. It will also help you identify possible risks. You can also:

- talk to your kids about who they are gaming with and what games they play.
- gaming can be very rewarding, try to find other ways for them to have positive experiences.
- talk to your child if you are concerned about their gaming. You can also get help from a counsellor at [Kids Helpline](#) or [Parentline](#).

## Dealing with issues

Let your child know that they can tell you if anything worries them or makes them uncomfortable, like if someone says inappropriate things or asks them for private information like their address.

Let your child know that bullying, racism, or abuse is never okay, and that they can report it. Use [The eSafety Guide](#) to learn how to report online abuse. If the gaming platform doesn't help, [contact eSafety](#) to help find the right support.

For more information about how to keep your family safe online, search for [eSafety Parents](#) on our website.

## From Grace Vassallo-Wakefield, APRIM

On Sunday we hear in Mark's gospel, Jesus praising the poor widow who drops her remaining two small coins in the collection basket of the temple which is different from the others who only put in their extra money (v.43). The widow gives away everything that she has rather than give away what she did not need. This small action of the widow invites us to think about ourselves and our neighbours.

We are called to be generous like the widow. Many of us can feel that we have little to give to a world that has so many problems. As he did with the widow, Jesus is telling us that what is most important to God is to give what we have with a generous heart.

## Remembering Others

O God, when I have food,  
help me to remember the hungry;  
When I have work,  
help me to remember the jobless;  
When I have a home,  
help me to remember those who have no home at all;  
When I am without pain,  
help me to remember those who suffer,  
And remembering,  
help me to destroy my complacency;  
bestir my compassion,  
and be concerned enough to help;  
By word and deed,  
those who cry out for what we take for granted.

Amen

- Samuel F. Pugh

### **St Vincent de Paul Christmas Appeal**

A reminder that during weeks 7 and 8, we will be supporting St Vincent de Paul and their annual Christmas Appeal. Donations of Christmas food items, Christmas wrapping paper or a small Christmas gift for a child aged 12 months to 12 years of age would be greatly appreciated. Perhaps, over the next few weeks, while you are out shopping, you might pop something into your trolley to support this initiative?
